In Ohio, the Democracy have adopted the platform of Gen. Taylor and resolved in favor of the immediate admission of California and New Mexico. In North Carolina, it will be seen, that they fought open opposite grounds, while in both States the Whigs have acted in unison. Now what can the people expect of this Democratic party? If placed in power, either Ohio or North Carolina will have to yield, and in either case the people of the one or the other State will be betray-

In Ohio, throwing aside all other issues, the reasons given for the defeat of vote of nineteen twentieths of the Democracy for him. Is not this National Democratic organization a queer unity?

CALIFORNIA INTELLIGENCE. - We yes. terday gave our readers the bright side of the news from California and a little from Oregon. If these accounts are to be taken as correct, we suppose emigration to the gold regions will commence anew. The intelligence is certainly of a the entire commonwealth will reach a wonderful character and almost bids de-

That is the bright side. On the other hand, Capt Nelson of Logan, who came by the Philadelphia, does not report so favorably. He is a gentleman of considerable intelligence and has doubtlessoig school houses. How simple in them ly observed things with an unprejudiced thus to increase the value of real estate judgment.
